LEGACY

Black and White in America

A Feature Documentary by Richard Karz

Barack Obama

Marian Wright Edelman

Wynton Marsalis

Condoleezza Rice

Deborah Roberts

Joseph Lowery

Madam Madon

John Hope Franklin

Legacy: Black and White in America features the most celebrated African-Americans of our time and examines the political rise of Barack Obama against the backdrop of African-American history and culture. The film presents two parallel stories—the story of African-American life today and the story of the Civil Rights generation—to clarify the successes and failures of racial integration in America and what they reveal about our democracy and national character.
